

The background of the poster is a photograph of a city skyline. In the foreground, there is a white residential building with a red-tiled roof and several windows. In the background, there are several modern skyscrapers with glass facades, set against a clear blue sky. A large red and orange diagonal banner is overlaid on the right side of the image.

B2B MEETINGS

B2B meetings are one of the most effective sales tool in information century. Participating in B2B meetings you'll be able to get more information about market novelties and new trends, present your best products and to have the opportunity to meet with key customers. Organisation of bilateral meetings at the exhibition creates additional opportunities for establishment of direct contacts between participants and their potential customers, thereby increasing the effectiveness of their participation in the exhibition and contributing to the expansion of their commercial activities.

EVENTS IN THE FRAME OF THE EXHIBITION SEMINARS / CONFERENCES / PRESENTATIONS

Seminars, conferences, presentations and other business events held within the framework of the exhibition will undoubtedly provide additional opportunities and attraction of your target audience.

Different seminars are held on the actual topics for participants and visitors by the organiser of the exhibition. The opportunity to organise the business events in the exhibition frame is also provided to participants.
