

## **FERIA CHINA HI-TECH FAIR 2018 “CHTF 2018”**

Shenzhen del 14 al 18 de noviembre de 2018.

- La fecha previamente anunciada cambió y ahora el evento tendrá lugar del 14 al 18 de noviembre de 2018,
- El Ministerio de Comercio de China (MOFCOM), junto con el Gobierno provincial de Shenzhen, organiza esta exhibición,
- Los organizadores proporcionarán un stand de 36 m2, 7 noches de hotel para uno o dos funcionarios, 3 alimentos diarios y un traductor español-chino si el Gobierno de México decide montar el stand en la sección de exhibiciones para país,
- Se ha confirmado la participación de varios países latinoamericanos como Cuba, Uruguay, Argentina, Perú y Chile.
- Los organizadores de la CHTF 2018 indicaron que también promueven la China Hi-Tech Fair itinerante en diversas regiones del mundo. Durante 2018, se realizaron ferias en Islandia, Noruega y Suecia (se adjuntan programas de cada uno de los países) y esperan replicar esta estrategia en América Latina durante 2019 considerando a México como uno de los países que visitarían.
- Los organizadores requieren encontrar los centros de exhibición en México que podrían alojar una feria de este tipo, y para lo cual, esta Embajada proporcionó los datos de contacto de la oficinas en Beijing y Hong Kong de ProMéxico.
- Los datos de contacto de los organizadores así como la información anexa en esta comunicación.
